## CFMI CHILD OF MONTH

Dear Beloved in Christ,  
Greetings in the mighty name of our Lord and Savior Jesus Christ!

Last month, we had the pleasure of sharing a story about Pavan; this month, I am delighted to share about Akhil. We are thrilled to share a testimony that truly reflects God's grace and perfect timing — the story of Akhil, a young boy whose life has been touched and transformed by the love of Christ.

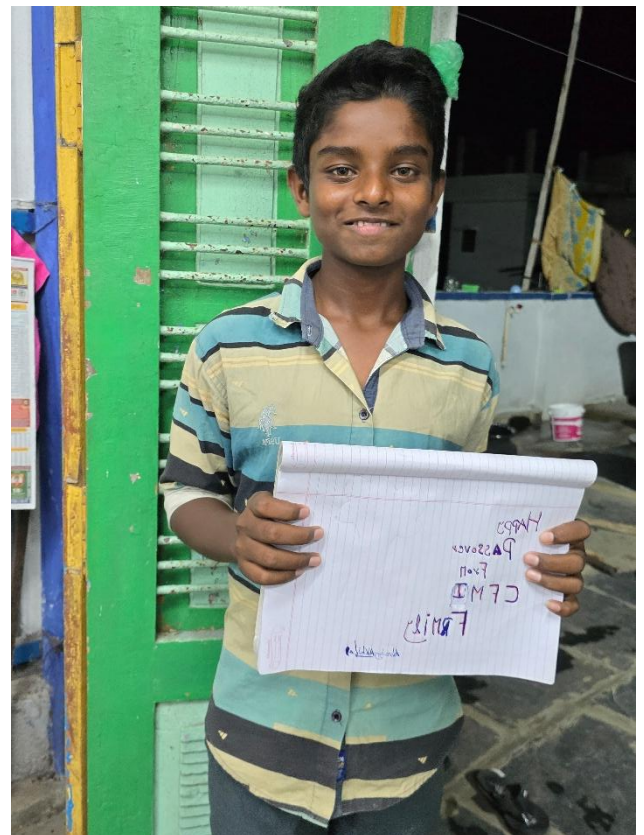

Akhil grew up in a small village and was being raised by a single mother who carried the heavy burden of caring for him and his siblings. Life was not easy. Financial difficulties forced Akhil to abandon his education at a young age and begin working to help support the family. Though life seemed dark, a small flame of hope still flickered in his heart — he dreamed of one day becoming an engineer. But our God never forgets His children. During a street evangelism outreach organized by our organization, we had the pleasure of meeting Akhil. We believe this encounter was a divine appointment. As we shared the Gospel and offered assistance to those in need, we recognized in Akhil not only a young person facing challenges but also a young man with a clear sense of purpose, bravery, and a calling on his life.

Through prayer and support, Akhil was welcomed into the CFMI Children's Home, where he has resided for the past four years. Surrounded by the teachings of God, a caring community, and educational opportunities, Akhil has thrived in both his faith and studies. Currently in 10th grade, he is diligently working towards his goal of becoming an engineer with Jesus as the cornerstone of his aspirations.

We kindly request your continued prayers for Akhil and others like him who are transitioning from difficult circumstances to a life of blessings. Your prayers and support are instrumental in making such positive transformations possible. May you be richly blessed as you join us in the work of His Kingdom!

In the service of Christ,

## PLEASE CONSIDER SUPPORTING US

The area we live in is impoverished. There is not a lot of opportunity to make enough money to support the ministry work we are or would like to do. That is where you come in. What you can make in one day, or so, of working takes us a week or more. When you help us, you are doing something we can't do on our own. That is to supply the financial support needed to take care of the children and our general needs.

### [SPONSOR A CHILD \(click to donate\)](#)

*There are 24 boys living with the Yamarthi family, and additional children are periodically blessed by the family through support of food and clothing.*

***It costs close to \$150/month/child** to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed.*

### [GENERAL NEEDS \(click to donate\)](#)

Our other needs, general support, varies. These funds are used for evangelism outreach and our families' personal needs. The donations for this category tend to fluctuate.

**August REPORT:** *Even though we have generous supporters, we have not been able to meet all our needs for the Children's Home this past month. We have insufficient funds to cover all our expenses we incur. If you feel led to support us, it would be greatly appreciated.*

# THANK YOU!

## REPORTS FROM VIKRAM

May the grace of our Lord Jesus Christ be with you!

We are delighted to share the latest update from Brother Vikram concerning the CFMI Children's Home. He recently attended a parents' meeting at the school and received positive feedback. By God's grace, all the children are thriving in their studies and daily activities, bringing honor to the Lord and to CFMI.

Furthermore, the children recently celebrated two birthdays, one is Kumar who turned 16, and Praveen who turned 15 years old. It was a time of fellowship, laughter, and gratitude to God for adding another year to their lives. The children sang songs, prayed together, and enjoyed the blessings of a loving family environment.

We give thanks to God for His faithfulness in guiding and protecting these young lives. We are grateful to everyone who supports this ministry through prayer, love, and giving. As Proverbs 22:6 reminds us, "Train up a child in the way he should go; even when he is old he will not depart from it."

Let us continue to pray that each child will grow strong in faith, wisdom, and godly character, becoming shining lights for Christ in the future.

## CFMI STREET EVANGELISM

It is a great honor to extend greetings in the name of our Lord and Savior, Jesus Christ!

We are delighted to share the most recent news from the CFMI's Street Evangelism ministry. The Lord continues to provide opportunities and direct our path as we strive to fulfill His Great Commission to "go into all the world and preach the gospel to all creation" (Mark 16:15). We are deeply grateful for your prayers and support, which serve as a great encouragement!

During the past month, our evangelism teams, empowered by the Holy Spirit and your prayers, brought the message of hope and salvation to three different locations.

### **1. Guntur City:**

Within the vibrant streets and communities of Guntur, our team participated in numerous discussions, shared personal experiences, and provided gospel tracts. We met individuals with open hearts searching for truth, as well as those who were simply interested in learning about the love of Christ. We kindly request your prayers for the seeds planted here, that they may flourish.

### **2. Gangavaram Village:**

The experience of bringing the light of Christ to Gangavaram was truly meaningful. The team established connections with the villagers, conveying the straightforward yet impactful message of God's love and the salvation available solely through Jesus. We have faith that the Holy Spirit is actively working within hearts even now.

### **3. Inkollu Village:**

Our time in Inkollu was characterized by a warm welcome. The team had the opportunity to pray with individuals and families, sharing the hope and peace that are found through a relationship with Jesus. We are confident that God's Word will not be without effect (Isaiah 55:11)

### **Prayer Requests: Lifting Families Before the Throne.**

In the course of our outreach efforts, we were profoundly touched by the sincere requests of two couples who sought our assistance. Being concerns for their children, they specifically requested our prayers:

- \* For the spiritual development, safety, and future of their children.
- \* For divine guidance and wisdom to envelop them.
- \* For salvation and a meaningful, personal connection with Jesus Christ for each child.

May we join together in earnest prayer for these cherished families!

### **God's Provision: Bibles for the Hungry!**

We are blessed to serve a God who provides precisely what is needed for His work! Following the outreach in Guntur City, we were deeply touched by the generosity of a dear friend in Christ. In direct response to the need for God's Word in the area, this individual graciously donated two full boxes of Bibles!

This is indeed a tremendous blessing! These Bibles are not merely books; they are life-giving words, tools for discipleship, and sources of eternal truth (Hebrews 4:12). They will be put to immediate use in follow-up efforts, new believer discipleship, and will be given to those who are eager to receive the Scriptures during our future outreaches. We give thanks to God for His faithful provision through His people!

**Praise & Prayer Points:**

**PRAISE:**

For the divine appointments and open hearts in Guntur, Gangavaram, and Inkollu.

**PRAISE:**

For the generous donation of Bibles, which are essential tools for spiritual growth.

**PRAYER:**

For the specific couples who have requested prayer for their children, that God's mighty hand may be upon each child and that the parents may be granted wisdom.

**PRAYER:**

That the seeds of the Gospel sown in all three locations may bear lasting fruit for the Kingdom, and that those who have heard may experience conviction, repentance, and faith.

**PRAYER:**

For continued boldness, wisdom, protection, and anointing for the CFMI evangelism teams.

**PRAYER:**

For the ongoing provision of resources, including tracts, Bibles, materials, and street evangelism expenses, and for more laborers for the harvest, as mentioned in Matthew 9:38.

**Join with CFMI street evangelism**

We are deeply thankful for your partnership, which we value through prayer and support, as the harvest is indeed plentiful. If you feel inclined to contribute financially, such as with Bibles, tracts, or financially to help with the expenses to visit these villages, your support is greatly appreciated throughout CFMI General Account.

May we continue to persevere in this journey, keeping our focus on Jesus, the source and ultimate example of our faith, as stated in (Hebrews 12:1-2

1. Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, 2. fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.)

Thank you for your continued support as we share the Good News in the streets!

Serving Together for His Glory,  
The CFMI Street Evangelism Team

## YAMARTHI FAMILY UPDATES

1. We were delighted to celebrate Marcia's 3rd birthday at the CFMI Children's Home. With hearts overflowing with joy and gratitude, we commemorated little Marcia's special day at the CFMI Children's Home. It was a wonderful occasion to express our thanks to the Lord for the life and development of this cherished child.

The celebration was filled with laughter, prayers, and love, as the children and staff came together to celebrate Marcia's life. Pastors associated with CFMI also participated, offering sincere prayers and blessings for her. They shared words of encouragement, hope, and God's promises, declaring that Marcia will grow in wisdom, stature, and favor with God and others (Luke 2:52).

Such moments remind us of God's faithfulness and the beauty of raising children in a Christ-centered environment. We extend our gratitude to everyone who continues to pray for and support CFMI's mission to nurture and guide young lives for His Kingdom. May Marcia's life always reflect God's grace and goodness!

2. We are grateful for the wonderful news that Sister Ramya, wife of Brother Vikram, is now in her seventh month of pregnancy. Indeed, "Children are a heritage from the Lord" (Psalm 127:3), and we celebrate His kindness.

We will continue to pray for Ramya's well-being, the baby's healthy development, and God's peace to be with the family as they anticipate the arrival of this precious blessing.

## CFMI MISSION UPDATES

Dear Brothers and Sisters in Christ,

We are delighted to share with you an opportunity that YAHWEH has kindly provided the chance to establish twelve Sabbath-keeping churches in various villages throughout our region. For quite some time, we have been praying for ways to share the truth of God's Word and the joy of Sabbath fellowship with these communities.

Through His guidance, our family has committed to renting a house in each village to serve as a gathering place for worship, prayer, and Bible study. These modest locations will become sanctuaries where believers can grow together in faith, learn God's commandments, and experience the blessings of community.

To ensure that each location has spiritual guidance, we also plan to appoint a Corner Fringe Ministries India associate pastor in every village. These shepherds will nurture the flock, encourage the faithful, and guide new believers in their walk with Messiah.

The combined monthly rent for these twelve established church houses amounts to \$658. This modest investment promises to make a lasting difference, offering numerous villages the chance to observe the Sabbath and deepen their connection with YAHWEH.

We are convinced that this endeavor is not merely a commendable idea, but a calling from above. As the Scriptures state:

"The harvest is plentiful, but the workers are few." – Matthew 9:37

We kindly extend an invitation to you to join us in this mission through your prayers and, if you feel so inclined, through financial contributions. Your participation will aid in securing these gathering places, supporting the pastors, and establishing a vibrant testament within each community.

We also humbly request your prayers for an urgent matter: due to financial constraints, we are currently facing two months of overdue rent for the churches. We have faith that YAHWEH will provide through the steadfast prayers and generosity of His followers.

Let us labor together while it is still day, for the night is coming when no one can work (John 9:4).

With heartfelt appreciation in Messiah,  
Corner Fringe Ministries India
