CFMI CHILD OF MONTH

CFMI India Children's Home – Praise Report of Academic Excellence!

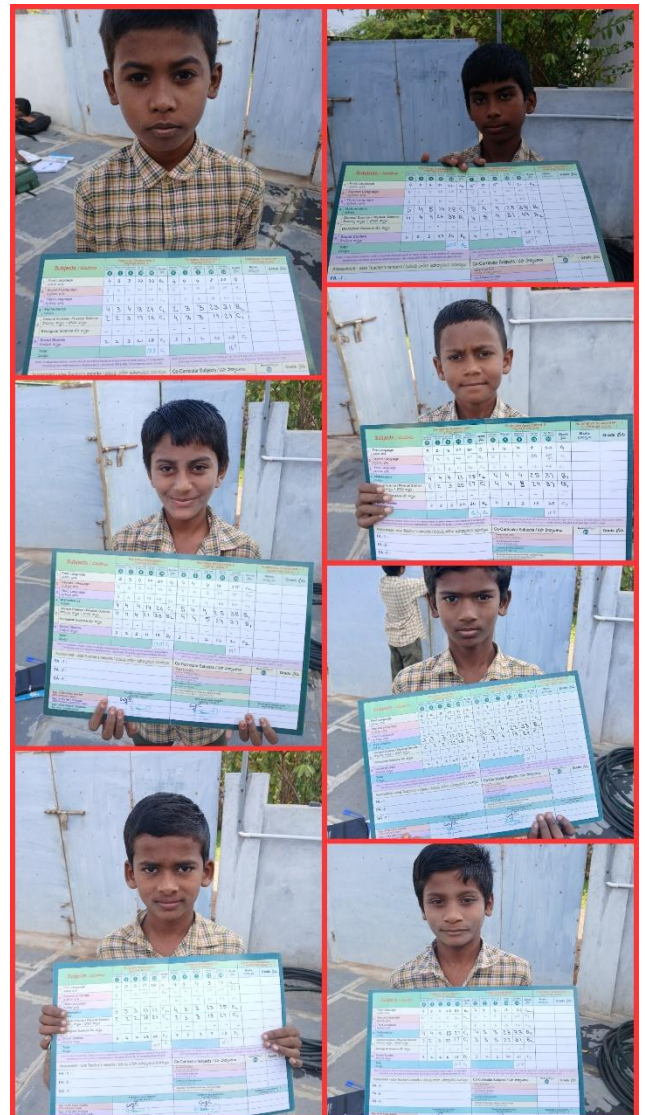

We are thrilled to share a wonderful praise report from CFM India Children's Home. By God's grace, our children have achieved excellent scores in last month's examinations. The school management itself expressed appreciation for the discipline, dedication, and progress seen in our children.

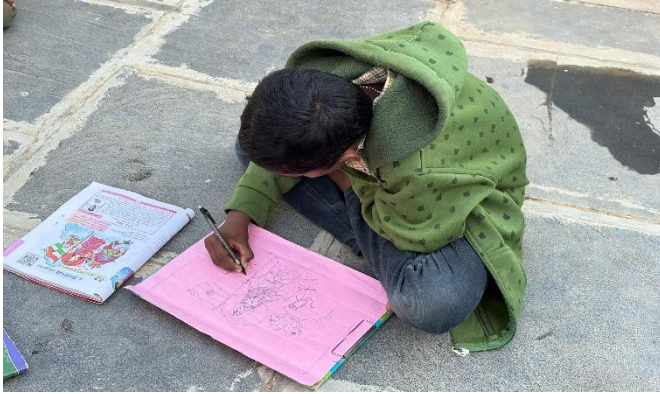

A special highlight comes from our young boy Surjen, who secured First Prize in the school's drawing competition. His achievement brings great joy and reflects the talent and hard work God has placed in each of our children.

This is a significant milestone for CFMI India Children's Home, and we give all glory to the Lord for His goodness and favor.

We want to extend heartfelt gratitude to Vikram, Mallika, Maharshi, the CFM India team, and our beloved American team for your continued prayers, love, and unwavering support for our children. Your encouragement is helping shape their future with hope and purpose.

Let us continue to praise God for His faithfulness and pray for our children to grow in wisdom, strength, and God-given purpose.

YAMARTHI FAMILY UPDATES

1. Blessed Arrival Announcement.

We are delighted to announce the wonderful news that Ramya and Vikram have been blessed with a beautiful baby girl on the afternoon of October 24th. Baby Manju Sri weighs a healthy 2.8 kg. Both mother and child are doing well. We kindly ask for your continued prayers for Ramya's swift recovery and good health.

2. God's Healing Hand Upon Maharshi.

We wish to inform you that our dear brother Maharshi recently experienced an accident and sustained a broken ankle. We are pleased to report that, through divine grace and the supportive care of the CFMI family, his surgery was successful, and he is now making a gradual recovery. We also extend our sincere gratitude to those who helped financially with the surgery expenses.

We kindly request your continued prayers for his complete healing and strength during this period. May the Lord fully restore him and utilize this experience for His glory.

PLEASE CONSIDER SUPPORTING US

The area we live in is impoverished. There is not a lot of opportunity to make enough money to support the ministry work we are doing or would like to do. That is where you come in. What you can make in one day, or so, of working takes us a week or more. When you help us, you are doing something we can't do on our own. That is to supply the financial support needed to take care of the children and our general needs.

[SPONSOR A CHILD \(click to donate\)](#)

There are 24 boys living with the Yamarthi family, and additional children are periodically blessed by the family through support of food and clothing.

*It costs close to **\$71/month/child** to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed.*

[GENERAL NEEDS \(click to donate\)](#)

Our other needs, general support, varies. These funds are used for evangelism outreach and our families' personal needs. The donations for this category tend to fluctuate.

DECEMBER REPORT: *Unfortunately, we have not been able to meet all our needs for the Children's Home this past month. We have a line of credit with the market, but we need to raise the funds to pay off this debt. Anything you can help with will be greatly appreciated. We have been so blessed by your support!*

CFMI STREET EVANGELISM

“Go into all the world and preach the Gospel to every creature.” – Mark 16:15

Dear brothers and sisters in Christ,

We are grateful to share the mighty works the Lord has done through our CFMI India street evangelism team this month. By God’s grace, we were able to take the Gospel to three different villages, reaching many hearts with the message of salvation.

Inkollu – Stalinpeta

Date: November 11, 2025

Our team entered Stalinpeta with boldness and compassion. Many villagers gathered as the Word of God was preached. Several people expressed a deep desire to learn more about Christ, and many requested more prayers so they could begin reading Scripture for themselves.

Pastor Charles' Village

Date: November 19, 2025

This outreach was characterized by a spirit of openness and a profound desire for truth. Families listened with great attentiveness, and we observed the Holy Spirit profoundly impacting hearts. Once again, numerous individuals requested prayers to further their spiritual journey, and they demonstrated a sincere interest in understanding the Lord.

Kavala Kuntha Village

Date: November 29, 2025

The final outreach of the month was truly impactful. The Gospel was embraced with enthusiasm, and many individuals came forward to receive prayer.

Prayer Requests

In all three villages, a considerable number of new believers and individuals seeking spiritual guidance have expressed a desire for Bibles. Regrettably, due to current limitations in our supply, we are presently unable to fulfill these requests. We respectfully ask our entire CFMI family and prayer partners to bring this important need before the Lord.

We kindly request your continued prayers for the following:

- 1.Those who received the Gospel message this month.
- 2.The firm establishment of God's Word within their hearts.
- 3.The provision of Bibles which will enable these individuals to deepen their relationship with Christ.
- 4.The strength and protection of our evangelism team.

We attribute all glory to God for opening doors and impacting lives throughout the month of November. Our sincere gratitude goes to everyone who faithfully supports CFMI India through their prayers and encouragement. Together, we are contributing to the advancement of the Kingdom of God, one village at a time.

"The harvest is plentiful, but the laborers are few." - Matthew 9:37

Preach the message; be persistent in doing so, whether in season or out of season convince, reprove, and encourage, but with great patience and instruction.

CFMI NEW BUILDING UPDATE

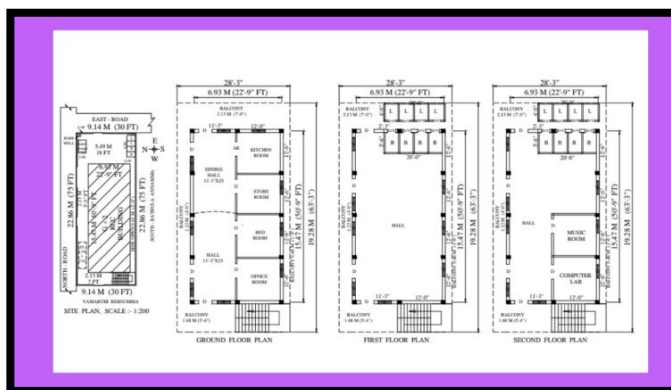

“Unless the Lord builds the house, they labor in vain who build it.” – Psalm 127:1

Shalom to you in the mighty name of Yeshua!

Unfortunately, we have had to stop construction on the new building. Our financial recourses have run out. As we come closer to completing this first phase, we still need to fully finish the first story. This includes final structural work, essential materials, and necessary furnishings for the children.

We are thankful that both our India team and the American team are working together faithfully—praying, planning, and raising support—so that this vision can be completed for the glory of God. We trust in the Lord’s faithfulness, and we believe He will touch the hearts of those whom He chooses to stand with us in this final step. If anyone feels led to support this project or would like more information, please feel free to reach out to our CFMI Board Members or the CFMI India team. Your encouragement, prayers, and partnership mean more to us than words can express.

Thank you once again for standing with CFMI and for believing in the work God is doing in India. Together, we are building more than a structure—we are building hope, shaping futures, and raising a generation for Christ.
