### How can parents/guardians give back to BBC Youth?

For our youth family to be effective, it takes participation from everyone. Sometimes that participation comes in the form of being present on a Sunday, or Wednesday. But often we need participation around all the events we do with your youth. This could be helping unload a van after a trip or decorating a table for an event. So, if there is something you like to do or if you excel in certain skills like organizing, cooking, carrying heavy loads, listening, teaching, or hosting please list them below.
