

Let The Wind Blow [Lyrics, 108 bpm]

[Default Arrangement] by Zac Hagerty | Emily Ward | Ian Miller

Verse

I see a valley
Full of dry bones
But you see an army
So let the wind blow

I see a desert
Where nothing can grow
But you see a garden
So let the wind blow

Chorus

Come awake come awake
Dry bones come out of that grave
Come awake, come awake, this gardens gonna
grow
Come awake, come awake
Dry bones come out of that grave,
Come awake come awake,
and let the wind blow

Verse

I see city
Lying in ruins
You see an altar
So let the wind blow

Turn

Bridge

Give us the treasure
hidden in darkness
(2nd time)
Ears that are open, eyes that can see
Give us the wasteland,
places forsaken
(2nd time)
Release the wind of Your Spirit in me

Verse

We were rejected
Divorced and divided
But now we're a family
So let the wind blow
