

Knowing Jesus Bible Reading Plan

*"Put on your new nature and be renewed
as you learn to know your Creator and become like him."*
-Colossians 3:10

The Knowing Jesus Reading Plan is designed to help you understand who Jesus is and help you experience Him in your daily life. Each week you will have five reading assignments to complete which allows you two free days to make-up any readings you may miss along the way.

- Set a regular time and place to meet with God that is free from distractions. Pray before you begin, "Lord, please speak to me through what I am about to read today."
- In your Bible, mark or highlight meaningful phrases or sentences that God brings to your attention as you read.
- Record in a journal, a paragraph or two daily, what God reveals to you through your reading. (Note: These are the things you have marked or highlighted in the previous step.)
- Spend several minutes in prayer asking God to show you how to respond to what He said to you through your Bible reading. For example, "Lord, show me how to apply what I have learned today to my life and give me the strength to do it."

Week 1

John 1	The Eternal Word	<input type="checkbox"/>
