Super Mile Updates!

Congratulations to our 8th grade student Trevor Hewitt for breaking our Middle School record for the fastest mile. The previous record was 5:34, set by Gus Acosta in the 2024–2025 school year. PC Middle School runs the mile on campus and the path includes uphill and downhill runs. Trevor completed his mile in 5:22 during the Super Mile on 10/28/2025.

Middle school has also earned their Jog-A-Thon ditch day after successfully fundraising \$10,178! We are so grateful for all of the support from family, friends, and community members that made this possible! **The Middle School on-campus ditch day will be Monday, November 17th!**

Thank you to the parent and community volunteers that helped for this year's Super Mile. The students enjoyed the sweet treats and running through the water spraying.
