

BRAZEWAY

We're hiring!

Effective January 1, 2021 Brazeway will begin offering a hiring bonus!

The desired impact is to recruit and retain THE BEST talent. As a newly hired Manufacturing Associate in one of our US plants, you may receive a bonus up to \$2,500, less applicable taxes.

This benefit program applies only to regular, full-time, Manufacturing Associates (direct and indirect). To receive this bonus, you must be employed by Brazeway when the bonus payment is made.

The payout will be made in 2 segments – the first payment of \$1,250 will be made upon a successful completion of the 90-day training and assessment period. Any attendance issues (tardy or unexcused absence) will forfeit the payment. You must have perfect attendance for 90 days to receive this payment. The second payment of \$1,250 will be made after 6 months of employment.

We look forward to welcoming THE BEST talent to our TEAMS!
