1) Paul wrote 2 Timothy shortly before his execution. Why do you think he emphasized these truths to Timothy at the end of his life and ministry?

2) Read Psalm 19:7-9; Psalm 119:9-11, 105; and 2 Peter 1:20-21. Which of the 3 aspects of Sola Scriptura does each verse affirm?

3) Read Mark 7:6-9, 13. What is happening? How does Jesus respond? What is his view of Scripture? What are some ways people today challenge or undermine the authority of Scripture—both inside and outside the church?

4) How should a belief in biblical inspiration and authority affect the way we handle difficult or countercultural teachings in the Bible?

5) How does Scripture equip believers to handle real-world challenges like relationships, work, or suffering? (Provide examples from your own life and corresponding Bible verses).
