

# **Snacks and Sweets Fundraiser**

Dance for Art Inc 501c3 is a non-profit organization that provides performance opportunities for young dancers and promotes community service through dance. DFA exclusively funds The CDDS Winter Performance and community events for ALL of our dancers. This includes costumes, backdrops, props, theater rental, and choreography fees. DFA has also provided numerous scholarships for dancers in financial need. *Due to Tariffs and increased product costs we've made a small increase to our fundraiser prices. We've kept this adjustment as minimal and fair as possible to ensure a successful fundraiser!*

***We ask all CDDS dancers to participate in this Fundraiser. Mandatory for Company Members to participate.***

**Each item is approximately one pound and is from Virginia & Spanish Peanut in Providence!**
