How to Enjoy a CDDS Production to the Fullest!

To ensure the best experience for your dancer, your family, and all audience members, please read, share, and uphold the following CDDS Theater Etiquette:

Please remember that everyone on stage is someone's child and their families and friends are just as excited to see them perform as you are!

1. Arrive Early

Our shows begin promptly. Late arrivals will only be seated at the discretion of the ushers and may not be placed in their purchased seats. Please allow extra time for traffic, parking, weather, restroom, and finding your seat. *Entire parties should enter together.*

2. Remain Seated

Please stay seated for the duration of the show unless absolutely necessary. Anyone who exits the theater will only be reseated at the discretion of the ushers and may not be placed in their purchased seats. There is no intermission and run time is approximately 80 minutes.

3. Be Present - No Phones or Cameras

Kindly keep all cell phones, cameras, and recording devices put away during the entire performance. If this policy is challenged the show will be paused while attendee is dismissed. We recommend purchasing the professional video to capture the memories. Enjoy the magic of live dance without the distraction of screens or ushers asking to put devices away.

We appreciate your cooperation in keeping the show respectful and safe for everyone.

Sincerely, CDDS Staff
