

The interior life..... Visible and invisible

For the next few weeks, the Lord will be inviting us to take a closer look at our 'interior life'.

He will ask us 'what kind of attitude do you have'..... How do you see yourself? How do you see others? How do you see Me?

There's a stream of thinking, a continuous conversation we have going on within ourselves and Jesus wants us to take more notice of it.....

This weekend the Lord will ask 'what causes someone to feel **entitled** to the place of honour'?

Next weekend He will ask us about the place our possessions have in our life or how **materialistic** are we.

The following week we will meet the Prodigal Son who will cause us to question again our sense of entitlement, the place of money and possessions and an interior movement to **repent** and to be sorry when we behave badly.

What is going on side you? What kind of attitude are you cultivating?

Town in Bloom Success!

Many congratulations the Gardening Team who secured **Second Place** in this year's 'Town in Bloom Competition'.

Sarah Sweetland from the Town Council wrote to us in a recent email: 'This year was a tough call, but someone pipped you to the post!' Only First Place will receive an award this year, which is a pity.

Second place is a fantastic achievement especially as this year was a much larger event moving from 'Bordon in Bloom' to 'Town in Bloom'. **WELL DONE ALL!**

Acts of the Apostles

Our fortnightly Bible Study begins again on Mon 8th September after the summer break. We will begin by looking at the Acts of the Apostles – the first days of the church following the Lord's Paschal Mysteries.

ALL ARE WELCOME!

Our sessions are open to anyone wanting to find out more..... Come and give us a try! No previous knowledge necessary!

From the Catechism: Humility

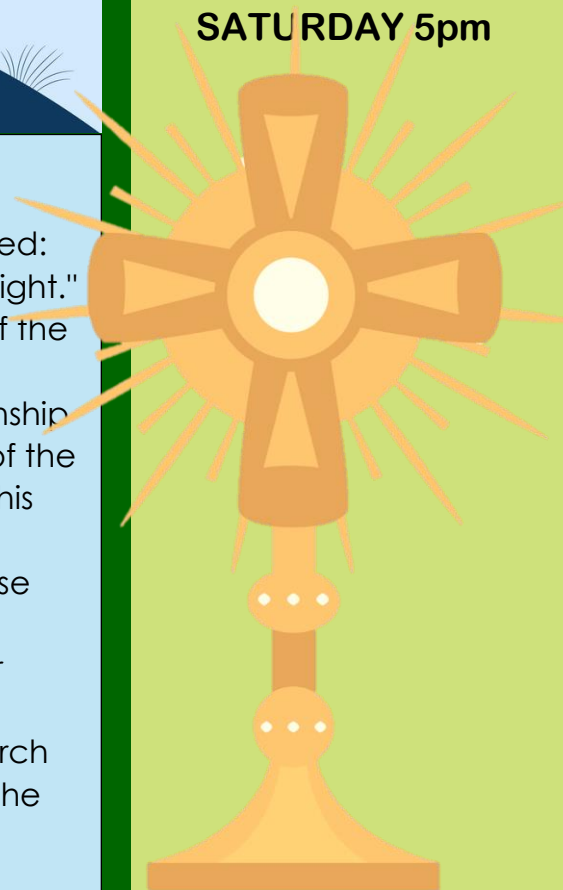

299 Because God creates through wisdom, his creation is ordered: "You have arranged all things by measure and number and weight." The universe, created in and by the eternal Word, the "image of the invisible God", is destined for and addressed to man, himself created in the "image of God" and called to a personal relationship with God. Our human understanding, which shares in the light of the divine intellect, can understand what God tells us by means of his creation, though not without great effort and only in a spirit of humility and respect before the Creator and his work. Because creation comes forth from God's goodness, it shares in that goodness — "And God saw that it was good... very good" — for God willed creation as a gift addressed to man, an inheritance destined for and entrusted to him. On many occasions the Church has had to defend the goodness of creation, including that of the physical world.
