

Knowledge becomes belief and belief becomes faith

'Increase our faith' the Apostles ask the Lord in the Gospel this weekend.

If we want to our **faith** to increase, first of all we must work on our **knowledge**. We will never have faith in something we don't know or can't understand, so the first step towards faith is knowing.

Knowing leads us to **believe**. Once we know, we can develop our belief and it's from our belief that **faith** increases.

Wanting to know, a motivation for knowledge, is the first step to unshakable faith in God.

Before we will want to know or believe or have faith, we have to be in the right frame of mind, we have to have the right attitude.

We saw last Sunday the rich young man, or the entitled young man, was unteachable, he thought he knew it all, so he didn't want to expand his knowledge.

That attitude prevented him from developing his belief and growing in faith.

Advent praise and worship

We are working on a new project A time for prayer, praise, learning and fellowship. A time where everyone can come along, feel welcome, and meet the Lord. It is not 'liturgy' in its strictest sense. It's a time for us to be inspired in prayer. Come along, bring friends and family members....

VOLUNTEERS NEEDED

SATURDAY 11th OCT from 8am

Our plans to connect the Church grounds with the Town Park and the Shed have moved forward significantly in recent weeks.

A gate and new walkway will be built roughly where the yellow lines are in the photo above - at no cost to us.

The path will be beautifully landscaped and will provide access for people to take a shortcut from the Shed to the High Street. This will mean that the footfall passing the church door will be increased, and we will also be able to host larger-scale events, working with the Shed and the local Council.

Prior to the path being built we'd like to make some alterations to the carpark too. We'd like to extend the grassed area as far as the red line above, increasing space for our parish social events and other activities.

This will mean (a) lifting the bricks to the right of the red line (b) moving the curb and (c) removing the bushes within that space.

We will use those bricks to patch another hole that will be made during the reconfiguration.....

We plan to remove the bushes circled in blue, and replace the lifted bricks here, meaning that we will lose no parking spaces by these changes.

Could you join a team to help with this heavy workload????

Family learning from the Catechism:

The Lord praised prudence in the Gospel and. Prudence is one of the Theological Virtues. The Cardinal Virtues are Prudence, Justice, Fortitude and temperance. We looked at Justice last week so here is Fortitude this week:

1808 *Fortitude* is the moral virtue that ensures firmness in difficulties and constancy in the pursuit of the good. It strengthens the resolve to resist temptations and to overcome obstacles in the moral life. The virtue of fortitude enables one to conquer fear, even fear of death, and to face trials and persecutions. It disposes one even to renounce and sacrifice his life in defence of a just cause. "The Lord is my strength and my song." "In the world you have tribulation; but be of good cheer, I have overcome the world."
