Policies

- When enrolling a student, the parent or guardian accepts financial responsibility for the student by setting up a tuition payment plan through FACTS.
- An ACH automatic withdrawal account is required for all tuition accounts.
- All previous accounts with NHCS or another school must be settled prior to re-enrollment/enrollment.
- Payments are due on the 4th of the month and are considered past due after the 21st of each month.
- A Returned Check Fee of \$30 will be charged for any checks returned for non-sufficient funds.
- For past due balances, FACTS charges a non-refundable \$30 late fee.
- If the personal financial situation of a family changes, it is expected that parents contact the school to work out satisfactory arrangements.
- Accounts must be current in order for records request transfers to be fulfilled and prior to graduation in order for a final transcript or diploma to be issued.
- Upon early withdrawal, tuition will be prorated according to days enrolled. NHCS reserves the right to keep account open for a period of two weeks to ensure that all charges have been recorded on the account.
