

Sheep Monologue

Me? I love living in the valley! I mean, what more could I ask for! We always have plenty of nice, green grass to eat, and the water is always crisp and cold. Mmmmm, and don't get me started on the veggies that I sneak from the farmers! Soooo tasty! (*Guiltily*)... Just don't tell the Chief Shepherd that I sneak into the kitchen. But, like I said, living in the valley isn't so bad! I mean, I do miss Much-Afraid. She went with the Shepherd to the High Places last week, all the way up in the mountains. How she could climb up there with her crippled feet, I don't know! She used to give me the best belly rubs (*sigh*)... boy, do I miss her! Maybe, I'll try and follow her. Yeah! That's what I'll do! I Just gotta go grab some veggies for the journey! Oh boy, here I come Much-Afraid! (*Hops away*)
