ABOUT ME

Welcome! I'm Your Teacher, Mrs. Coffing. I can't wait to meet all of you on your first day of school! Having been a part of MPS since 2015, I am excited for another year filled with learning and discovering new things. I have a passion for reading, messy art projects, and jumping in puddles. You will be truly impressed by the growth and independence your child will achieve this year.

I LIKE

Iced Keto Mexican Mocha Coffee from on the grind, dark chocolate hanging out with my family and 3 dogs and thrift shopping!
