## MEET THE TEACHER

### About Me

Besides working with little ones, I am working towards completing my Bachelor of Science- Psychology degree. I'm a proud mom of two fur babies who love to be a part of everything I do. In my free time I spend a lot of time reading and love anything to do with arts and crafts.

Hey! I'm Ms. Naomi

Welcome to the academic year  
2024-2025! I'll be the Sky  
teacher for this school year.
