

## Fentanyl kills quickly. Here is how you can stay safe:

**Make sure you and your friends carry naloxone. You can get naloxone at any pharmacy.**

**Call 942-7867 to connect with a licensed counselor.**

**Don't use alone. Have someone else nearby when you use drugs.**

**If you think it's an overdose, call 911. You can't get in trouble with the law, even if you're on probation or parole.**

## How to stay safe with fentanyl

**Have naloxone**

Overdose happens fast. Make sure you and your friends carry naloxone.

**Don't use alone**

Make sure someone is around. They can give naloxone if you overdose.

**Call 911**

If you think it's an overdose, call 911. They have more naloxone.

We all have a role to play in ending the overdose crisis. **What's yours?**
