The outpour of support and generous donations to the Ocular Melanoma Foundation is being recognized with a **\$200,000** grant in Georgia Kondoleon's name to the Thomas Jefferson University & Jefferson Health's Melanoma Research Institute of Excellence (MRIE) — \$100,000 from OMF and \$100,000 matched by Jefferson. This grant will provide critical funding needed for leading edge research, continued testing and ultimately a cure.

NET PROCEEDS WILL BENEFIT

In April 2017 we lost a wonderful, beautiful and loving person, Mrs. Georgia Kondoleon, our “theia” (which means “aunt” in Greek). Georgia was diagnosed with Ocular Melanoma back in 2012 at 40 years old. She was cancer free for 3 years and then it reappeared. She leaves behind her sons George and Dino, and her husband John. This year’s golf outing is in memory of her and our net proceeds will benefit the Ocular Melanoma Foundation, which is one of the premier foundations that is dedicated to finding a cure for this rare form of cancer. Only 2,000 people a year are diagnosed with ocular melanoma, thus it does not receive as much attention or funding as other forms of the disease. We would like to thank all of our sponsors, volunteers, golfers, friends and family for participating in this event for such a good cause. Our Theia Georgia was lost too young, but we are keeping her memory eternal. Since we started dedicating money to OMF, we have raised over \$145,000 to bring awareness and help fund research to help cure this devastating disease. When ocular melanoma came into our lives there was only 1 treatment option. With the help of this annual golf outing, there are now more than 4 treatment options.

Our family hopes you have a pleasurable experience at our event. If you have any questions, please contact

Mike Dontas Jr at **484-357-9577**, or
