A note from Patrick Eaton (Men's Leader)

Joshua's Men is a Christ centered ministry calling men to serve the Lord at home, work, and in the church. Our ministry to men through men purposes to help men in three key areas:

- **DEEPEN** – a man's personal walk with God.
- **DEVELOP** – brotherhood with other men.
- **DISCIPLE** – for works of service.

Theme for 2023:

“Iron Sharpens Iron”

Proverbs 27:17 “As iron sharpens iron, so one man sharpens another”

Joshua's Men uses 2 primary tools in support of our purpose:

1. Men's special events.
2. Men's multi-generational Life groups.

If you are 13 or older and attend Calvary San Mateo, you're a member of Joshua's Men: Men under His authority, seeking His will, intentionally and forcefully advancing His Kingdom. So please, consider this an open invitation to join us, men in grateful service of the one and only King, our Lord Jesus Christ.

The Creed for Joshua's Men

I am a member of Joshua's Men and as such I am called to be a man of strength and courage. I build my faith upon the Rock, Christ Jesus, who interceded for me while on the cross and in doing so paid the price for all of my sin. It is in Him alone whom I have my faith set strong.

As a man I am called to lead and follow courageously on any front that God has set before me and I will confidently accept God's greater rewards knowing that all things of this earth will pass away, but God's gifts are eternal. I am called to reject the passivity of non-action for I know that even if I fail, I fail while daring in obedient service and that God will be with me. I am called to draw near to the non-believer showing him the strength and courage that God has built within me. I will mentor and be mentored by my brothers as iron sharpens iron. I will accept the responsibilities placed upon me by God, my family and my country and I know that when I succeed it is because of God who sent me. Any respect or honor that is bestowed upon me I will humbly give the glory and thanks to God.

I am called by God to be on my knees in prayer and to stand in the gap for my brothers and sisters in Christ. I strive to exercise a spirit of power tempered by love and self discipline in prayer for the non-believer. It is my hope that my actions will be those of Christ Jesus and that the non-believer will be drawn near to God the Father and his Son our Savior.

In prayer I ask: My Lord, let this strength and courage that you have given me, allow me to move forward with the Sword of the Spirit and the Shield of faith. My brothers stand or kneel at my left and right as I do for them. It is your will Father that we are men of strength and courage upon which we take action for

"We will serve the Lord!" –Amen
