

## John – Small Group Study Week Nine

**Verses for the week: John 3:16-21**

### **Questions:**

1. John 3:16 is both broad and specific. How so?
2. These Verses tell us that sinners (those that do "wicked things") hate the light (Jesus) and love the darkness. However, we know some sinners do run to the light, accepting Jesus as their Savior.

Two questions:

- A) Why would Jesus say these things?
- B) What is the difference between the sinner (the person) that runs to the light and the one that runs away from light to the darkness?

**Quote of the week:** No child of God sins to that degree as to make himself incapable of forgiveness. John Bunyan
