

Joshua – Small Group Study Week Eight

Verses for the week: Joshua 8

Questions:

1. In this Chapter, Joshua and the people of Israel again attack the City of Ai.

What is different in this Chapter from what happened in Chapter 7, Verses 2-6?

2. Verse 25 of this Chapter says, “and all who fell that day, both men and women, were 12,000, all the people of Ai.” This seems very, very cruel and merciless.

Why do you think would God allow this to happen?

Quote of the week: Towards noon I saw, that the grace of God in Christ is infinitely free towards sinners, and such sinners as I was. David Brainerd.
