

## Joshua – Small Group Study Week Six

### Verses for the week: Joshua 6

#### Questions:

1. In Verse 2, God tells Joshua (“promises him”), “see, *I have **given** Jericho into your hand, with its king and mighty men of valor,*” but Joshua, at that time, had not even encountered Jericho. Why is this such an incredible promise from God?

What does this promise tell us about the will of God?

2. Joshua 6 is a great Chapter about faith, listening to God, trusting God, and obeying God. Do you have a Jericho in your life?

If so, what can you learn from this Chapter that will help you conquer your Jericho?

3. In Verse 18, God warns His people about things “devoted to destruction.” What warning was God delivering in this Verse?

Does this warning still apply today?
