

Week Fourteen

Great People of the Bible: John

Suggested Scripture (not all inclusive): Matthew, Mark, Luke, Acts, 1 John, 2 John, 3 John, Revelation

Questions:

1. The Transfiguration is one of most significant events in the Bible. It is described in Matthew, Mark and Luke. What is the significance of this event? How do the accounts in the three Gospels differ?
2. Most people believe John is the "disciple whom Jesus loved." See for example John 19:26. Why do people think that? Assuming it is John, why do you think Jesus referred to him in this manner?
3. Why was John exiled and given such great revelation (see Book of Revelation) when other disciples were martyred?
