

Week Nine

Great Events of the Bible: Solomon's Prayer for Wisdom

Suggested Scripture: 1 Kings 3

Questions:

1. From Verses 1-4, what can we learn about Solomon and the way he lived his life?
2. When Solomon asks for wisdom, God gave him wisdom and much more. What does this tell us about God?

Does God treat us similarly today? If so, why?

3. In Verses 16-28, Solomon applies his God-given wisdom. Do you think he would have acted differently without Godly wisdom? Why or why not?

Quote of the week: Discouragement and failure are two of the surest stepping stones to success. Dale Carnegie
