

## Kimberly Design Requirements

- Two colors on the front & one color on the back, shirt color does not count.
- Only designing the shirt, **we're not printing the shirt.**
- Every image must be a vector image, hand traced not live traced.
- Design must be shown on the computer as you want it to look on the shirt.
- Shirt idea does not have to be for a club or activity that currently exists.
- Must use minimum of 4 elements of design.
- This cannot count as one of the other assignments, must be a separate design.
