

BRASS RAZOO

24 hours of LIVE music

The Hamilton Citizen's Bands are having a Brass Razoo!

7pm - 7pm Friday 16 – Saturday 17 September 2022

HAMILTON CITY BRASS and **HAMILTON AUXILIARY BRASS** are active in the local Hamilton community – you may have seen us at concerts, Christmas carolling and at ANZAC Parades. We compete regularly at national and regional contests and we have a Brass Factory to develop young brass players. Our main source of income is fundraising and we need your help!! Our annual operating costs are over \$80,000 per year which means a lot of fundraising! With our Brass Razoo! we are raising money towards **new cornets**, a **new trombone** and **brand-new carpet for our Bandroom!**

We are asking local individuals and businesses to be involved with our fundraising efforts by supporting our community organisation with one of the following options:
