2025-2026 Carline Pick Up & Drop Off Procedures

At JICS, we use two carlines—**Orange** and **Blue**—for morning drop off and afternoon pick up. Please refer to the map provided for detailed carline directions and traffic flow.

Car Tag Assignment

You will receive either an **Orange** or **Blue** car tag at Back to School Night. Please display this tag clearly on your dashboard during pick up and drop off.

K4 Students

All K4 students must use the Orange Carline for both drop off and pick up due to the location of their classrooms.

Carline Hours

- Morning Drop Off: 7:40–7:55 AM
 - Please choose the shortest carline in the morning, unless you are a K4 parent.
- Afternoon Pick Up: 3:00–3:15 PM
 - Use your designated carline based on your assigned car tag color.

Late Arrivals

If arriving after 7:55 AM, please:

- Park in an open spot.
- Walk your child(ren) into the front office to sign them in.
