Lutheran Church
William Penn, Texas**

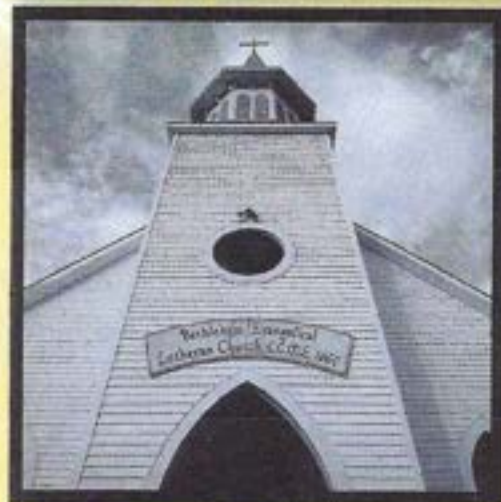

1860-2024

Bethlehem Evangelical Lutheran Church

Bethlehem Lutheran was organized on Sept. 9, 1860 by German settlers. Earliest burial records indicate that most early members were from Westphalia Province, Prussia, which is now a part of Germany. The church was first served by a Missouri Synod pastor in 1870. On Dec. 25, 1881, it was voted to join the Missouri Synod, and official acceptance was on Jan. 12, 1882.

The first building constructed in 1860 served as the church, school and parsonage. The present church building was built in 1893 at a cost of \$2466. The original 75 foot tall steeple was replaced after being destroyed by lightning. In 1952, the present parish hall was added.

At this time Bethlehem is the third oldest active Missouri Synod Church in Texas.

"Representing God's Love
to our Congregation,
Community, and the
World."

Pastor Kelly Krieg

Dear Brothers and Sisters in Christ,

Welcome to the latest edition of the Bethlehem Lutheran Church - William Penn member directory! As we celebrate more than 160 years of faith, fellowship, and community, this directory serves as a cherished reminder of the vibrant and diverse family that constitutes our beloved congregation. Our roots run deep in the rich soil of Washington County, and our Lutheran traditions continue to thrive, nourished by the steadfast commitment of each member.

This directory is more than just a collection of photos; it is a testament to the enduring bonds that unite us. Each face tells a story of faith, service, and love that contributes to the beautiful tapestry of our church's history. A history that has had, and will continue to have, Christ Jesus at the center every step of the way. As you browse through these pages, may you be reminded of the strength and support found within our community.

Thank you for being a vital part of our church family. May God bless us as we continue to grow in faith together.

In Christ's Service and Yours,

Pastor Kelly Krieg
