PRICING

Pricing is a per-person rate that includes housing, the majority of the meals, project tools, project materials, staff to lead projects and chapel programming. Camp prices range from \$359 to \$379.

You will be responsible for transportation, 2 lunches and 2 dinners during your free time, and your free time excursions.

PROJECTS

You will be doing a hands-on project like painting, landscaping, and building something for a homeowner or a ministry. This could include but is not limited to ramps, decks, roofs, painting, yardwork, drywall, framing, sheds, and more.

STAFF

Our staff is made up of college-aged people who love the Lord and have a passion for youth ministry and missions! They will be leading your mission sites and chapel programming each evening.

CHAPEL

We will have Chapel every night. This will include games, site stories, worship, and a message including staff testimonies all led by our summer staff at each location. On Thursday, we will have an opportunity for a response time as a group at the cross. Join us this summer to take a deeper look at scripture and how it applies to our lives.

“TEAMEffort has changed the DNA of our youth group by sparking a passion for missions and outreach. Our youth group returns home yearly with a love for worship and loving our community.”
