Class Description

Art Class is a course where students will learn to master their artistic abilities in all mediums of art including; drawing, painting, sculpting, and 3D modeling. This course is designed to exercise student's ability to help reach their true potential in creativity.

Class Objectives

- Explore Art in a fun and exciting way.
- Gain greater appreciation of the beauty of God's creation.
- Develop their artistic potential.
- Grow skills in shading, colors, and forms.

Required Class Supplies

- Art Graphite pencils
- Erasers
- Color pencils
- Sketch pad
- Water color paint
- Acrylic paint

Class Expectations

Students are expected to respect the classroom by cleaning after themselves and keeping the classroom equipment clean after every art project/ assignment. All students are required to maintain a respectful and inclusive environment for their peers and their art work.

Grading & Assignment

Assignments will be posted weekly on Renweb.com. Students will be graded by participation, effort, and completing assignments before their assigned due date.
