ABOUT BRANDON

BrandonMatthews.com
Brandon@BrandonMatthews.com

PRACTICAL, APPLICABLE, COMICAL, AND ENGAGING.

Brandon Matthews is known for his practical, applicable, comical, and engaging communication style. With 20 years experience in corporate communications, professional and spiritual development, Brandon is a sought after speaker and professional trainer. He's spoken to thousands of audiences and frequently speaks on leadership, communication, customer service, customer experience, corporate culture, and organizational and team health.

His insight comes from starting, leading, and coaching various organizations, teams, non-profits, and businesses for over 20 years. His experience includes leading customer service teams for Apple Inc., and training other organizations just like yours. He is passionate about helping you, your team, and your organization reach its full potential.

TESTIMONIALS

What they are saying...

Brandon Matthews is the rare thought leader who truly understands the importance of both the big picture (Vision) as well as the significance of each individual brush stroke (Strategy). His passion for building people to unleash the full potential of an organization is contagious, and his practical insights for the day to day disciplines of excellence will revolutionize the way you add value to your customer's lives. You will benefit immensely from Brandon Matthews' incisive communication principals and effective training style.

JEFFREY HUNTER, FOUNDER/CEO - STORYTELLER OVERLAND

Brandon has a way of communicating practical leadership skills to your organization. Our whole team was blown away by the value he brought. If you want to empower your team to stand out in this marketplace, you need this training!

**AMBER BLAIR, DIRECTOR OF OPERATIONS
SPARKS INSURANCE**

This created value for our team. It was beneficial to get a perspective from outside the organization. We will make this a continuous part of our training.

**MATTHEW POWERS, OWNER
S&S APPLIANCE**

From Attendees...

In all of the many presentations that we have had throughout the years, this is the most engaging, entertaining, and powerful by far. Wow. Thank you. - Sharon

Thank you so much for presenting. We are so glad you were available for our conference. My colleagues and I gained a lot of good information from all that you shared. - Casey

Your understanding of customer service is right on target for how to empower an organization. - Major

Thank you so much for speaking and making an impact. We have heard amazing feedback and will be in touch again. - Raven

& GROWTH**

3 LEVELS OF LEADERSHIP

Great individuals make great teams. Great teams make great organizations. This program helps you learn to grow as an individual in order to grow as a team, to be able to serve your target audience better.

RESURRECTING CUSTOMER SERVICE

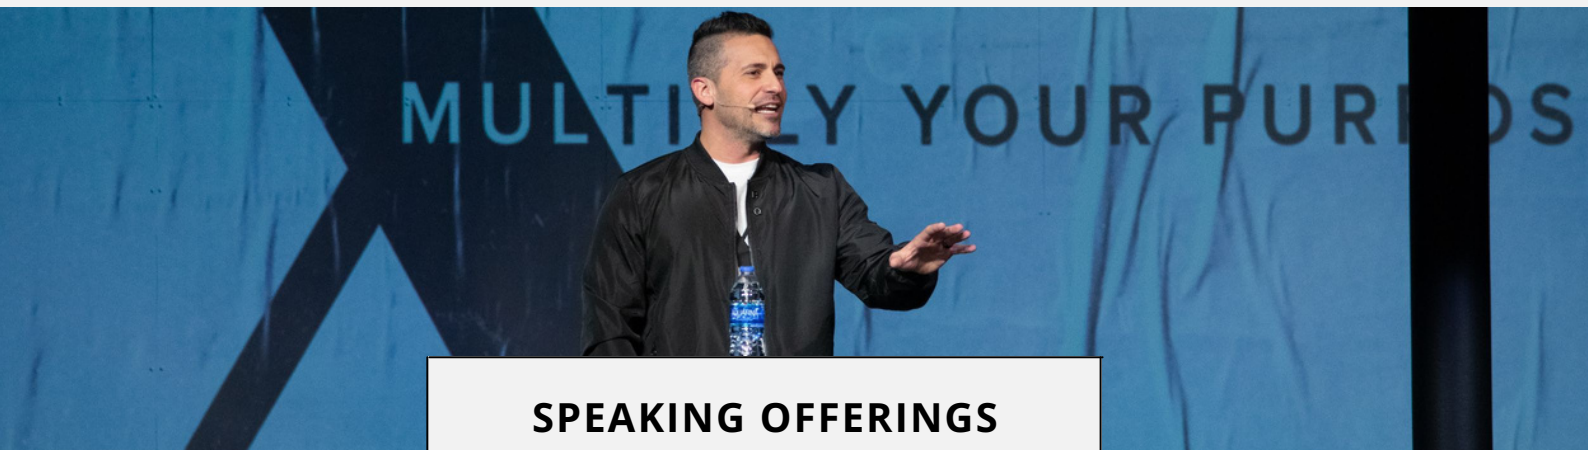

Whatever happened to the customer is always right? Why is it said that customer service is dead? In this program we bring the dead back to life through the resurrection of customer service.

LEARNING TO COMMUNICATE

Many conversate, but few communicate. In this program we learn not to only exchange words but to turn those words into meaningful action.

EMCEE/EVENT HOST

Brandon serves the fun and vibrant heartbeat of any occasion, ensuring seamless flow, crowd engagement, and entertainment.

PODCAST

MIND{YOUR}BUSINESS

The Mind Your Business Podcast is a platform for insightful conversations about a range of topics including company culture, customer service, church, politics, leadership, and more. There are no topics off limits. This is the podcast for whatever business is on your mind.

With each episode our host, Brandon Matthews will unpack personal leadership and life lessons learned through starting and leading various organizations, and from working with organizations just like yours. He will even share some of his behind the scenes insights learned while working with Apple, the very strategies that keep them number one in customer support year after year.

So if you're looking to grow personally and professionally, this is the podcast for you.
