## MESSAGE from the Secretary

Brethren:

When I decided to throw my hat in the ring to be Lodge # 180's Secretary, nobody told me there was a Pandemic on the horizon. Not that it would have made a difference, but would have made it easier. Brother Steve has been great in sharing information via Zoom, but there is nothing as good as face to face. So, please bear with me as I stumble through the coming year.

Early on, I thought about introducing a new format for the Trestleboard, so here it is. I would appreciate any comments good or bad. I thought it might be a little easier to read for those that do not print it out and that it would give us more room for pictures of our events. It might be harder to carry, but how many carry the Trestleboard around.

Congratulations to Bro. Warren, PM for getting us through this unusual year. It wasn't easy; and good luck to WM Rick for this year could be worse.

A. J. Eisenrauch, Sec'y

## MESSAGE FROM THE EAST

Brethren,

I would first like to congratulate the officers of the lodge on stepping up into their new roles. I feel we have a strong line going forward given the challenges we face in this Covid era. While we all were hoping all this would be, for the most part, behind us and could resume a more back to normal life, such is not the case. As I write this we are again experiencing an upswing in reported cases and restrictions being once again put in place and an uncertainty if lodges will be shut down once more. As we know this places a hardship on the membership as a whole from our long time, respected members unable to attend to performing degrees on candidates in a timely fashion. It's most important to keep in mind the unusual times we're in and understand that this may be "business as usual" for the unforeseeable future. As such, we must remain diligent in the safety of ourselves, brothers and the traditions and sanctity of the Fraternity. Let us not forget Temperance- that due restraint upon our affections and passions which render the body tame and governable, Fortitude- that noble and steady purpose of mind whereby we are enabled to undergo any pain, peril or danger and Prudence- which teaches us to regulate our lives and actions agreeably to the dictates of reason. For this we must remind ourselves, candidates and each other to "wait a time with patience" and continue to reach out, keep in contact and mentor one another so no one feels forgotten or neglected for that is not our intention. In closing, I want to thank all the members of Centreville lodge for allowing me to become your Worshipful Master. It's a great honor to govern such a remarkable lodge in the footsteps of so many respected and knowledgeable past masters. I look forward to the upcoming year. Stay safe, stay true, stay fraternal

*Rich Young WM*
