## **About Turneff Atoll**

Turneff Atoll is located off the coast of Belize and 20 miles from Belize City. Declared as a Marine Reserve in December of 2012, Turneff Atoll is a remote, idyllic destination which is home to more than 500 species of fish, 65 species of stony corals, sea turtles, manatees, dolphins, seabirds, and other wildlife. The pristine reef system is part of the MesoAmerican Reef, which is the second largest barrier reef in the world. The land and seascape consists of a network of highly productive flats, creeks, and lagoons dotted by more than 150 mangrove islands and higher cayes with savanna and littoral forest. What it is not home to is crowded, overused dive sites, tourist shops and cruise ship passengers.

## **About the Resort**

### **Blackbird Caye Resort**

Blackbird Caye is an all-inclusive resort located on a private island within the Turneff Atoll system. The resort is situated on 4,000 acres of jungle on the windward side of Blackbird Caye on Turneffe Atoll. The resort offers 20 oceanfront cabanas and villas, all with modern interiors and rustic, charming exteriors and only steps from the Caribbean Sea. All accommodations feature air-conditioning, ceiling fans, private bathrooms with hot water, a screened-in porch with chairs and a hammock facing the Caribbean Sea. Blackbird Caye is one of the closest resorts to the Great Blue Hole and offers weekly excursions to this famous dive site and the nearby Half Moon Caye Natural Monument. The resort has an on-site dive shop, dive boats and dive staff to get you to your underwater adventure. Most dive sites are less than a 15 minute boat ride from the resort.

The all-inclusive stay includes three meals daily, featuring a mix of international and Caribbean cuisine prepared with fresh, local ingredients. Meals are served buffet-style for breakfast and lunch, with a plated dinner. The resort also hosts a daily happy hour.

Guests can enjoy the use of sea kayaks, paddle boards and nature walks on nearby Calabash Caye. Resort features a fresh water swimming pool and waterside bar.

Cancellation after January 10, 2026 but before May 14, 2026 - refund of 50% of monies paid towards trip less \$150.00 cancellation fee.

Cancellation after May 15, 2026 no refunds or credits of monies paid.

Rebookings, refunds or credits will not be issued for any unused travel.

***Failure to make payments on the above stated dates will be considered as cancellation by you and penalties stated above, will apply.***

With any travel, we highly suggest travel insurance, that will cover you for unforeseen circumstances such as sickness, job loss, hurricanes or “I just changed my mind” that would warrant your trip cancellation.

Travel / Trip Insurance can be purchased through, but not limited to:

Divers Alert Network - [dan.org](http://dan.org)

Dive Assure - [diveassure.com](http://diveassure.com)

With many trip policies, the “cancel for any reason” must be purchased within 24 - 48 hours of your initial deposit. You are responsible for knowing your trip insurance policies.

Are you ready to go? If so, complete the registration forms below and get us your deposits to secure spot on our next adventure!
