ABOUT OUR PROGRAM

The Troy Dream Center is a faith-based residential program designed to support men who are overcoming life-controlling issues, and recovering from drug and alcohol addictions, depression and abuse. The program is structured to eliminate distractions so that participants can focus on building a healthy foundation to rebuild their lives. Food, housing, education and counseling are provided free of charge.

HELP THE MAN

"I am no longer a slave to addiction. Today I am not hopeless; God gives me strength to overcome anything. I am not the same person I was when I arrived - because of God and the Troy Dream Center. I am no longer my own worst enemy." - *Troy Dream Center Graduate*

TWO PHASES - ONE GOAL

'RESET' PHASE

This initial phase focuses on intense internal recovery aimed to reset the individual. Classwork, counseling and work therapy are the three primary methods that are used. All are led by a team of qualified staff and are geared to 'rebuild' each man into the person they're meant to be.

'RESTART' PHASE

This transitional phase is designed to prepare the men for re-entry into society. We assist with finding a church home and job placement. While also helping them learn basic life skills and giving them the necessary tools to have a successful adjustment back into the community.

HELP THE FAMILY

"After my Dad went into the Dream Center it changed my whole life. I get to hang out with him more and he is now safe and healthy."

- *Teenage Son of a Dream Center Graduate*

HELP THE COMMUNITY

"The good work being done at the Troy Dream Center to help men turn their lives around away from addiction is nothing short of amazing. I know they've had numerous success stories already and will work tirelessly to achieve continued success in the future."

- *Mark Cross, Former Mayor of Troy*
