## Putting the Puzzle Together

SOROPTIMIST®  
Investing in Dreams

Elise Batley, Governor

Issue 7 Volume 2

## Governor's January Message

I usually try to have something interesting, informative, or fun in this space, but this month I must begin with sad news. Founder Region lost one of our sheroes last month-Colleen Ganaye. Colleen most recently served our region as the District III Fellowship Director. Before that, she was the Founder Region District III Director. She served as president of the SI/Sonoma Valley club as well as the old SI/Fremont club. Colleen was a Soroptimist through and through. She will be sorely missed. That said, Colleen was also a business-like person and would tell us all to get out there and continue to help women and girls live their dreams. So, let's do just that.

This is a busy time of year. Hopefully, those clubs that need assistance with SIA's Mandatory Convention Fee have submitted their requests to SIA. Remember, the fee must be paid, or your club is at risk of not being in good standing. That means your club will not have a vote at Founder Region Conference in May. There will be a registration launch party online on January 21 at 5:00 p.m. California time. Check the recent SIA Best for Women Newsletter for registration information for the launch.

Speaking of Conference, you will want to be in San Ramon May 1-3. We will conduct the region's business, learn new information, and connect with Soroptimists from all over Founder Region. The Call to Conference will go out in early March. Be on the lookout.

It is also awards season. Be sure to get your Live Your Dream and Violet Richardson Award recipients submitted on time. Let's have another wonderful demonstration of how Founder Region helps women and girls.

It is also time to be looking at your club officers and directors for the 2026-2027 club year. Take advantage of the opportunity to step up to leadership.

SIA will be hosting a webinar on February 18 on how clubs strengthen the Soroptimist mission. Also, coming from SIA on March 18, the Fifth Annual Virtual Women's Day Tea Party.

Lots to do. Carry on Soroptimists! *Governor Elise*

## Fundraising- Joy Swank, Chair

### Rest in Peace, Colleen Ganaye.

I had the pleasure of working with Colleen on the Region board. She was kind, fun-loving, and a true Soroptimist, devoted to her family and to service.

In Colleen's honor, I encourage members to donate if they are able during this month's fundraising efforts. You can donate through the Fellowship website.

My deepest sympathy to SI/Sonoma Valley and to all who knew and loved her.

## Membership-Angie Haramoto, Chair

### Happy 2026 Founder Region,

We are pleased to report meaningful progress this year, with growth in both new member acquisition and the chartering of new clubs compared with the prior year. These achievements reflect your guidance, leadership, and continued commitment. Thank you for the vital role you play in our shared success.

How many clubs in our region have gone on SIA's website and checked out the membership tools? I hope most of you, please use the tools suggested, it does work.

## Program- Jackie De Vries, Chair

As we wrap up this year's Live Your Dream program, it's time to look ahead at how we can increase applications. The power of personal connection was clearly demonstrated by **SI/Ukiah**, which received an impressive **24 applications**. Chair Rebecca shared that much of their success came from building strong relationships with teachers and counselors at **Mendocino College**. One instructor, in particular, encouraged all students with dependents to apply.

This highlights the importance of nurturing these kinds of relationships throughout the year to expand our reach and impact.

BIG Goal Accelerator projects. Please remember that to be acknowledged at conference you must submit your project to SIA by March 31, 2026. [LINK](#) to criteria.

**Club Grants are now open.** Deadline to apply has been extended to **April 1, 2026**. [Application Link](#) Note: the window for Grants has changed from January 1 to April 1. The application notes the new deadline, some of the tips documents may still reference the old deadline of March 1<sup>st</sup>, but that has been extended. There is a great video on [YouTube](#) about the process- it is a webinar recorded before the extension so ignore the due date information. They give some great examples about grants that can be used to fund BIG goal projects.

## District II- District Director Dana Holve

As we begin a new year, I extend my sincere appreciation to every club and member of District II for your dedication to Soroptimist and to the women and girls we serve. As we move forward together, we do so with reflection, resilience, and a renewed commitment to supporting one another.

The year ahead offers opportunities to strengthen connections, support emerging leaders, and advance our shared mission. Through collaboration, compassion, and purpose, District II will continue to create meaningful impact across our communities.

Thank you for your service and commitment.

Dana

## District III- District Director Nancy Koski

District III is mourning the passing of one of our most vibrant leaders. Colleen Ganaye, current District III Fellowship Director and President of SI/Sonoma Valley, past District III Director, and dear friend, died on New Year's Eve of complications following her long-awaited hip replacement.

Colleen served Soroptimist for 45 years, pursuing the vision of enabling women and girls to become financially independent through education. She was generous with her time and advice and was the life of every party. She emanated joy no matter the task. She led by example and showed us the spirit of giving. It will take all of us to fill her shoes.

## District IV- District Director Crystal Arbuthnot

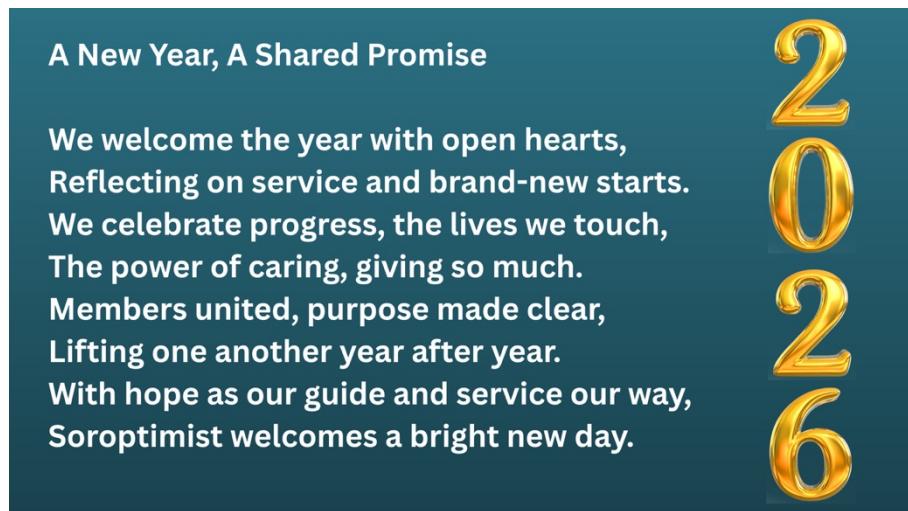

Soroptimist of Humboldt Bay, one of the Eureka clubs, continues to champion programs that uplift women, girls, and the broader community. Their efforts include Backpacks for Kids, providing weekend meals for children in need; the Gnome Project benefiting local seniors; and purchasing pumpkins for families through the PACT program. They also host the annual High Heels for Healing fundraiser each spring and recently held a Taco Tuesday Birthday celebration to support the Alzheimer's Association.

The club is excited to welcome two new members, Kacy Tonkin and Kelly Giampalo, who joined in October. SIHB also promotes the Live Your Dream and other award programs through social media, working together to build a brighter future for those they serve.

## District V- District Director Teri Lynn Sato

This past December was a season of holiday parties. District V Clubs had various ways of celebrating the holidays. I would like to highlight a couple of clubs. On Guam, SI/Marianas held their 20th Annual Christmas Sunday Lunch Fundraiser with amazing support from their membership, families, friends, fellow non-profits, and their community. They showcased Kristal Kollections, silent auction items and more! It was a beautiful and sold-out event! Back in Hawaii, SI/Central Oahu held their "Jammies & Jingle". Attendees showed up in their PJs! Participants modeled their PJ, everyone played holiday games, sang holiday songs and of course a buffet of "onolicious" food, as we say in Hawaii.

Happy New Year!

# Program Updates

## Dream It, Be It- Jackie Arnold- Chair

Happy New Year, Founder Region! I hope you enjoyed a wonderful holiday season with family and friends. It's exciting to see so many clubs either working on their Dream It, Be It programs or having successfully completed one at the end of the year. What an amazing way to empower young women as we head into a new year!

A helpful reminder: finding a group that is already meeting—such as a class, club, or activity—and adding Dream It, Be It to their schedule can make organizing a program much easier. If you have questions or need support, I am always happy to help.

Let's get Dream It, Be It programs started for the clubs that haven't hosted one yet. Let's go, Founder Region!

## Live Your Dream- Maida Herbst- Chair

Happy New Year LYD clubs. Be sure to complete your #1 LYD winner, additional winners and no award categories in your Application System (formerly known as the portal). Also complete your Final Club Report by February 1. Use this [LINK](#)

If you do not report by the deadline, your club will not be counted as participating in the LYD program. Need help with anything? Reach out to your District Representative: Jennifer Chiarelli, Judy Lloyd, Nancy Giltner, Debbie Coles, Wendy McDonald or me at [MaidaRHIA@aol.com](mailto:MaidaRHIA@aol.com).

The LYD team at SI/El Cerrito hosted a brunch for their LYD judges to celebrate their hard work. As non-members, the judges were very interested in getting to know each other, and the Soroptimist team. LYD is clearly an inspiration to the SIEC club.

Thank you again for all you and your clubs do to improve the lives of head-of-household women who are choosing to better themselves through education and training.

## “S” Clubs- Dawn Shepherd- Chair

“S” Club Liaisons, please be sure to share this information with your “S” Clubs. Seniors who are members of an “S” club are eligible to apply for this \$500 award.

The deadline to submit the application is March 1, 2026. Completed applications should be emailed to me (my contact information is listed at the bottom of the application form).

As a reminder, “S” Clubs should meet at least monthly, and project opportunities are endless. Please continue to guide and mentor your “S” Clubs and encourage eligible seniors to apply.

## FELLOWSHIP REPORT

### “Solving Puzzles by Degrees”

Happy New Year Founder Region,

We are gearing up for our Conference puzzle games. Your Fellowship Director has puzzles and will be bringing them to your club meetings to sell, and hopefully some of you have already purchased some. Each puzzle holds 9 pieces for a chance to win a Fellow in nine different games. Puzzles are \$90 each for nine chances to win a Fellow. Participating in the Fellowship games is an easy way for members to win a Fellow or level up and it allows Fellowship to plan our budget for awarding our grants at Conference; donations from our membership are key to awarding grants. If you miss your director at a meeting, you can always contact her to purchase a puzzle directly from her.

Fellowship now has beautiful President’s pins for sale. Similar to the SIA pin (which is no longer available), these pins include sparkly gems surrounding the Founder Region logo. The pins are \$35 and can be purchased by contacting Fellowship II Director Kay Kelley. We will also have these for sale at the 2026 Conference, but why wait when they are available now?

Fellowship still has beautiful T-shirts available; they come in purple or black, 3/4 length sleeves with the Fellowship logo on the front. You can order on our website or contact Fellowship Director Kay to purchase.

Again we ask you to please consider signing up for monthly giving. This is a relatively easy way to bring your donation to \$1,000 for a new Fellow or level up. Forms are available on our website or scan the QR code at the bottom of the page. Remember, that for Fellowship to continue to award our grants, we need continuing contributions. Your donations are truly appreciated.

Please contact your Fellowship Director with any questions you may have regarding our fundraisers or Fellowship in general. She is always ready and willing to help.

I hope you all have a very wonderful and prosperous 2026!

President Vicki

**OUR MISSION:**

To advance the Soroptimist mission by awarding grants to outstanding women in the final phase of their doctoral program within Founder Region.

# In Memory of Colleen Ganaye

It is with profound sadness and heavy hearts that the Founder Region Fellowship Board announces the passing of our cherished friend and colleague, Colleen Ganaye.

Colleen peacefully left us on December 31, 2025, due to complications following surgery. Her sudden departure has left an irreplaceable void in our organization and in the lives of all who knew her.

A devoted Soroptimist for over 40 years, Colleen's commitment to empowering women and girls was unwavering and truly inspiring. She began her journey with Soroptimist in Fremont, and eight years ago, after relocating to Glen Ellen, she transferred her membership to SI/Sonoma Valley, where she quickly became a beloved and influential member.

Colleen served with distinction as President of SI/Sonoma Valley, bringing her passion for education as the most powerful tool for helping women and girls reach their full potential. She was instrumental in the club's growth, community events, and fundraising efforts that supported local initiatives and scholarships.

Her leadership extended beyond her club. Colleen proudly served as District III Fellowship Director for the 2024-2026 biennium, championing the Founder Region Fellowship program. She was also a member of the Founder Region Board during the 2020-2022 and 2022-2024 biennium.

In light of Colleen's passing, Laurie Gallian will step up to serve as District III Fellowship Director for the remainder of the 2024-2026 biennium, ensuring the continued success of this important program that was so dear to Colleen's heart.

Colleen's warm smile, infectious enthusiasm, and tireless advocacy touched countless lives. She was not only a leader but a true friend—generous, compassionate, and always ready to uplift others. Her legacy lives on in the women and girls she helped empower, the programs she strengthened, and the deep bonds she forged within our sisterhood.

In lieu of flowers, Colleen's family kindly requests that donations be made to Soroptimist in her honor. Founder Region Fellowship is establishing a special fund in Colleen's name to award fellows to members of her club.

Go in peace, dear Colleen. You will forever be remembered, deeply loved, and greatly missed by all whose lives you touched.

Rest in eternal light, dear friend.

With love,  
2024-2026 Founder Region Fellowship Board—Vicki, Danelle, Amelia, Kay, Laurie, Tess, & Cindy
